WALL STREET

News and Gossip of To-Day's Market-Present and Puture Prices.

irregular and at times a distinct

downward tendency was displayed. The biggest bit of bull news which Wall Street has had since the signing of the armistice was that Germany had definitely decided to sign instruments who on the night of May the treaty of peace. Cables confirming this were received from official sources in London and Paris.
However, the market failed to be strong gradually realised. It stimulated. As soon as the an-No. 17 Livingstone Place, Manhattan, nouncement was made on the news in financialdom that the Germans will movement in stocies.

Professional Wall Street always Court and was promptly declared to bids up stocks in anticipation of favorable developments, and when The so called "caveman" was to any such expected developments are have been placed on trial before announced, it is always customary Judge McDermott on complaints to take profits on the theory that the charging (1) burgiary, (2) abduction good news is out and that it is no and (3) felonious assault. He was longer a potent market factor. This custom was religiously followed to-

Assistant District Attorney Caldwell, opening, but soon began to recede under the weight of profit taking this case the respondent Carey has sales. At one time the leading motor, told acquaintances that it was never oil, rubber, and equipment stocks his intention to stand trial and that showed gains ranging from 3 to nearly 7 points. As the session progressed nearly all of these gains were lost.

Other constructive factors which ordinarily would help in rewarding stock prices were reports of further betterment in steel trade conditions statements that there was increased demand for coppor metal, and also concrete evidence of easier money condi-61-6 per cent. and at 6 per cent. on 15th Street.

showed a gain of 6 points, American Linseed a gain of 4 points and the sugar and fertilizer and canning stocks ruled generally higher.

The market continued to be very irregular to the end of the session, with gains and losses in stocks in the same groups being pretty evenly divided.

vided.

It is evident that professional stock market sentiment has become very much mixed. There undoubtedly has been considerable selling for short account on the theory that with the signing of the peace treaty all important good news is out, that the market has discounted the favorable factors and that stocks are no longer on the harmin country.

on the bargain counter.
On the other hand there is a power ful professional element who contend that the tide of prosperity will rise so high current market values will be made to appear ridiculously low; that the bull boom is not yet approaching

Speculators in the stock market who have based their commitments a week ago found cause for despair in the money situation, are now using the easier conditions of money as one of their best arguments in favor of a stock price rise.

Brooklyn Realty Operator on Trial for the Alleged Theft of

Besides operating in real estate, Joseph Barbera, No. 276 Suydam Street, Brooklyn, is said to do a thriving business in healing the sick by divine license rather than by the aid of a mediwhole thing seemed to be a private cal diploma.

Barbera therefore is on trial to-day before Judge Gibbs in the Bronx County Court, charged with grand larceny. Asice have renewed their efforts to carn where Max Eastman, leader of he "Left Wing" Socialists, obtained sistant District Attorney Mork says that Mrs. Rose Orlando, No. 363 East 161st the State Department document that he read at the Madison Square Gar-den meeting Friday night. Eastman says he got this document in an anonymous letter, which also con-tained other State Department se-crets. Street, has confessed that she and Barbera have been operating together in getting money from Italians who were made to believe that Barbera had divine healing powers. Mr. Mork asserts that, according to the confession, the two have already collected upward of \$1,000 by this means, the only "medicine" used being a decoction of sweet oil, vinegar and water, AQUEDUCT RACE TRACK, N. CONS. COPPER MINES CO.

It is quite probable that aside from the inside officials, no brokerage house in the country is equipped with such exclusive in-formation which we possess regarding the above named company.

It is sufficiently interesting to write for.
